

TENNIS CAMPS AT WALTER GRÜNFELD TENNIS ACADEMY(WGTA)

WALTER GRÜNFELD TENNIS ACADEMY(WGTA) is a tool designed to organize Tennis camps for Spanish and foreign children and adults, throughout the year, so that they have the opportunity to live a great experience surrounded by their favourite sport in a spectacular setting.

Due to our location in Barcelona (Spain), a city that breathes sport and that has been dedicated to sports activity for decades, we can offer a wide range of Tennis programs that fit the needs of each group that visits us, all with a climate and privileged temperatures throughout the year.

In WGTA we have different Tennis programs including the necessary equipment, accommodation, maintenance, daily and occasional transportation and a complete international medical coverage, so that groups that rely on our work do not have to worry about anything, except to spend a pleasant stay among us.

All Tennis programs are adapted to each group, according to age and level of skill and are taught by qualified professionals with extensive experience, who will help children and young people to develop physically and humanly, through sports, promoting values such as respect, education, effort, discipline, ability to overcome, order, punctuality, coexistence and fellowship.

It shares with WGTA the integral formation of the person through our passion for sport.
